

With over fifteen years of experience, John Maggiacomo has served in a wide array of successful roles including National Recruiter for Mutual Service Corporation, Regional Mutual Fund Wholesaler covering South Florida, Regional Vice President of the New England Territory for Woodbury Financial and most recently Vice President of Gateway Financial Advisors one of Cambridge Investment Research's largest OSJ Branches. John's experience has allowed him to help clients address a range of financial goals including retirement planning, estate planning, college planning and insurance planning. Working in conjunction with William O'Brien & Associates to assure you satisfaction in both service excellence and professionalism is our ultimate goal.

John Maggiacomo is a graduate of Bentley College and is currently enrolled in the Chartered Financial Consulting designation with the American College. John currently holds his Series 6,7,24,26,63 and 65 Registrations with the FINRA as well as his Massachusetts Life Insurance Producers License Series 16-51. John also holds his Certified Estate Planning designation from NICEP. In addition John is registered to produce business and all 6 New England States as well as 12 other states throughout the country. John's passion for the business and unique set of skills has him considered by many in his industry as a professional, results-driven contributor.
